Optional Programs

Music Tuition:

Fees for optional instrumental music tuition are payable direct to the tutor. The engagement of an instrumental tutor by a family is a financial agreement between the family and the tutor. Fees are paid in advance per term to the tutor. The College provides the venue, timetables and ensures all tutors have the required checks and clearances. All instrumental students are required to participate in out of school hours' ensembles.

Tours – Sporting, Cultural, Academic:

Payment of all tuition accounts must be up-to-date before a student's application for involvement in one of these programs can be considered.

Basketball / Cricket Specialist:

Fees for these programs are structured as 'fee for service' between an external provider and the College. The College acts as a conduit for the fees and the administrative process of the program. Fees are paid in advance for the year via Parent Lounge. The students participate in the program under external expert professional coaches in partnership with specialist Kennedy staff.
