

Kennedy Baptist College conducts an elite Specialist Cricket Program in conjunction with Elite Cricket Training and Athlete X Gym in Bibra Lake. This program is designed to give your child access to specialist coaching and technology normally only available to professional cricket players and coaches, while offering competitive matches in the summer.

What The Program Involves

Students involved in the Kennedy Baptist College Specialist Cricket Program gain exposure to professional coaching, elite facilities, and a variety of opportunities to help them maximise their potential. During the year, students will have access to state-of-the-art indoor facilities at Elite Cricket Training, where they will be able to utilize the 'ProBatter' bowling machine and 'Merlyn Spin' bowling machine.
