ONLINE (Click and Collect)

You are able to purchase your uniform item online through your QuickCliQ account, ready to collect at the Uniform Shop (during opening hours).

Please note that:

Sizing in uniform shops often does not follow standard sizing, so it is always best for students to try on garments before purchasing.

This is especially important for new students as it ensures you get the right size first time.

New students are advised to book a uniform fitting.

How do I access the online Uniform Store?

Step 1: Create a signup at

<https://www.quickcliq.com.au/>

Step 2: Login and select "Uniforms"

Step 3: Select "Student"

Step 4: Browse and select items, add items to shopping cart and checkout. You can also find items using the "Uniform Category" search.

What is the ordering process?

- Login to your QuickCliQ account using the login details you created.
- Place your online order and checkout using your credit card (Visa or MasterCard).
- You'll receive a confirmation email with your tax invoice attached.
- Once we have processed your order you and your child will receive a direct message through SEQTA letting you know it is ready for collection during opening hours at the Uniform Shop.

How soon will I receive my order?

Orders are processed during the next day of opening.

Clothing Alterations:

Most shopping centres have an alteration service. We suggest you make an appointment early to ensure they have adequate time to complete the alteration.
