

2021 COVID-19 Update: 1

Dear Parents/Guardians

As announced by the Premier this afternoon, no students are required to attend school this week due to the implemented community lockdown.

There will be no curriculum delivery during this week.

At this stage, our major events for Week 1 will now be scheduled for Week 2 subject to government advice.

We will continue to keep everyone informed as information becomes available.

Mr Mark Ashby

Principal
