Year 7 Transition Program

Your Head of Year

Welcome to Kennedy Baptist College, my name is Mrs Liezl Breytenbach and I am your Head of Year for 2024 and beyond.

The beginning of secondary school is an exciting time with wonderful opportunities ahead of you. Our Transition Program is designed to support you as you settle into Kennedy and help you develop a strong sense of belonging.

The following contains lots of information so I recommend that you sit down with your parent/s or guardian and read through it together.

Key Information Includes:

- My role as your Head of Year
- Your Year 11/7 Mentors
- Day One and Commencement Ceremony
- Year 7 Transition Program outline
- New Student Checklist
- What to bring on the first day

My Role as Your Head of Year

It is our aim that every student feels safe and supported within a Christian community so they can strive for personal excellence in all that they do.

I have many responsibilities and some of the things I will be doing for you include:

- Ensuring that you are happy and comfortable at the College
- Helping you to make friends
- Creating activities and plans for Extended Form on Wednesdays
- Working with your Student Council
- Equipping you with skills to respond appropriately when someone else is not behaving appropriately
- Making sure that Year 7 runs smoothly for all of you

You will see me around the Year 7 area most days of the week. I am very approachable and friendly and I encourage you to come and have a chat with me. I would love to get to know you and answer any questions that you may have about settling into Kennedy. I enjoy good movies, fun games nights, and I love to read. Spending time with my family is always special, and if that can be in nature, even better!

Your Year 11/7 Mentors

We have a special Mentoring Program to ensure that you enjoy a smooth transition into our College community. The Program is known as 11/7s where specially trained Year 11 students will help you to settle in. They will be with you on Orientation Day, Pre-Start Day and the Commencement Ceremony, The Year 11s will also hang out with you at lunchtime and recess for the first few weeks and will be available to help you. You will recognise them by their special blue polo shirts.

SMARTS

Year 7s undertake the SMARTS program through the Research and Study Centre during Term 1 which involves study and organisation techniques, preparing for tests, managing/completing assignments and overall transition into secondary school studies.
